Presidents' Council Award

Current Association staff and actively serving Executive members are not eligible for nomination and the award may not be conferred posthumously.

Professional educators, support staff and community members all contribute to successful student learning. Each year, on an alternating basis, nominations for this award will be accepted in one of two categories:

- Professional educators: teachers (classroom, resource, itinerant specialist teachers) or administrators (principals, divisional coordinators, senior administrators); or
- Support staff and community members: support staff (educational assistants, bus drivers, clerical, custodial and maintenance personnel) or community members (volunteers, parents, trustees, post-secondary and civil service personnel).

In 2022, nominations will be accepted in the category of support staff and community members.

Nominations for the Presidents' Council Award are evaluated and ranked by a selection committee. The selection committee consists of the association's president and vice-presidents along with the three most recent (active) past presidents.

In 2022, the Presidents' Council Award will be presented virtually at an agreed upon time, and the presentation will be recorded for play-back at the convention virtually on Friday, March 11.
