

THANK YOU!

On September 1, 2021, Manitoba's Interim Premier, Kelvin Goertzen announced the government will withdraw Bill 64.

MSBA's "Local Voices, Local Choices" and "Your Voice Matters" campaigns highlight the importance of individual and community voice and to never lose sight of the fact that schools belong to communities. The association and all its members acknowledge their fellow trustees for their ongoing work. Without all of us working together, Bill 64 would have compromised the quality of Manitoba's school system and the programs, supports and services it provides.
