NURTURING
GOVERNANCE CAPACITY

Free On-line Webinar

Governance... It's the authority framework or structure that outlines how a group of people will govern or work together. School boards need a sound governance model, to which it adheres. Along with this, it needs supporting pieces that will nurture your board's capacity or make the most of the board – superintendent relationship. With this in place the most important work, the success of the students, is made that much easier. Tune in to this three-part series

- Nurturing Board Capacity
- Governance – Pitfalls & Politics
- Repairing the Board / Superintendent Relationship

Nurturing Board Capacity - This half hour webinar will cover the key elements of governing, building school board capacity, evaluations and maintaining focus on what's necessary to develop successful students.
