Governance... It's the authority framework or structure that outlines how a group of people will govern or work together. School boards need a sound governance model, to which it adheres. Along with this, it needs supporting pieces that will nurture your board's capacity or make the most of the board – superintendent relationship. With this in place the most important work, the success of the students, is made that much easier. Tune in to this three-part series

- Nurturing Board Capacity
- Governance – Pitfalls & Politics
- Repairing the Board / Superintendent Relationship

**Repairing the Board / Superintendent Relationship** - This half hour webinar examines some of the common problems that can create a rift and more importantly what can be done to repair the Board - Superintendent relationship.
