

Board of Trustees

What are our expectations for collaborative learning?

How do we know we have a good system of learning?

What and how do we monitor?

What is the focus of our Board Meetings?

What do we do when we are challenged?

Senior Administrative Team

School System

How do we provide information to the Board?

What are our Smart Goals and non-negotiables?

How do we allocate resources within the system?

What are our systems of support?

What specialized skills do we need to develop?

How do we use data in an effective manner? How do we know?

Where do we go for help?

How do we know how we are doing?

Culture of Continuous Change and Improvement

“Seine River School Division Engages students in learning experiences that develop literate, innovative and socially responsible citizens.”

Board Priorities:

1. Expand evidence-based decisions that support excellence and innovative practices focusing on literacy and numeracy.
2. Continue to support and strengthen all arts programs: visual, dance, music and drama.
3. Improve Community Engagement
4. Enhance Early Childhood Education

How do we make sense of the complexity of curriculum?

Who are our knowledgeable staff?

How do we build in collaborative learning for staff?
