Dear Wayne:

In keeping with our past practice, the Executive and senior staff of the Manitoba School Boards Association would appreciate the opportunity to meet with the Progressive Conservative Party of Manitoba to discuss educational issues of importance to Manitoba school boards and the citizens of Manitoba.

As always, during the course of our delegations, we would welcome the opportunity to share with you our association's perspectives on education issues of the day and to discuss your party's policy positions and directions regarding public education matters. We always find our meetings to be of significant benefit to our association and trust that our time together is of mutual benefit.

To that end, we respectfully request a meeting with you and your caucus sometime this fall – October/November. Should you be open to such a meeting, please have your assistant contact our Executive Assistant, Andrea Kehler akehler@mbschoolboards.ca to determine a suitable date and time to meet.

Thank you for your consideration of this request and we look forward to a response at your earliest convenience. It will be a pleasure to see you and your colleagues again soon.

Sincerely,
