Library Specialists

Library Specialists will no longer be required to operate twelve (12) days of Family Literacy program in their community. Therefore, effective the 2012-2013 school year, the twelve (12) days of Family Literacy program will no longer be mandatory nor automatically calculated into the Library Specialists salary.

Library Specialists will however, have the option to continue the Family Literacy program to a maximum of twelve (12) days per school year, should they demonstrate the program has merit in their community, with prior approval of the Principal and the Library Services Coordinator. Should the Library Specialists request to continue this program be approved, the Library Specialists will be required to submit time sheets and a summary of program outcomes during each reporting period. The Library Specialists shall be paid for said hours worked in the program, as the hours occur.

Effective the 2012-2013 school year it will no longer be mandatory for School Counsellors to participate in the current five (5) accountability days. Further the current two (2) day Divisional Professional development session will now be conducted during the normal work week. Therefore the above noted seven (7) days will no longer be automatically calculated into School Counsellor salary.

School Counsellors however will have the option to work seven (7) accountability days with prior approval by submitting a plan to their School Principal and Area Superintendent by September 30th of each year. Should the plan be approved, the School Counsellors will be required to submit time sheets and a summary of program outcomes during each reporting period.
