(hereinafter referred to as the "Division")

OF THE FIRST PART,

- and -

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 5121,

(hereinafter referred to as the "Union"),

OF THE SECOND PART.

PREAMBLE:

WHEREAS it is the desire of both parties to this Agreement to maintain the existing harmonious relations and settle conditions of employment between the Division and the Union, to promote cooperation and understanding between the Division and its staff, to recognize the value of joint discussions and negotiations in all matters pertaining to working conditions, hours of work and wage scales, to encourage efficiency in operation, and to promote the morale, well-being, and employment security of all Employees in the bargaining unit of the Union;

AND WHEREAS the Division and the Union have agreed to enter into a collective agreement containing the following terms and conditions;

NOW THEREFORE THIS AGREEMENT WITNESSETH that the parties hereto, in consideration of the mutual covenants hereinafter contained, agree with each other as follows:

ARTICLE 1: RECOGNITION

1.01 The Board of Trustees hereby recognizes C.U.P.E. Local 5121 as the sole collective bargaining agent for the Employees of the Pembina Trails School Division, as defined in Manitoba Labour Board Certificate No. 6883, coming within the scope of this Agreement in respect to wages, hours of labour, and all other terms and conditions of employment.

ARTICLE 2: DURATION OF AGREEMENT

- 2.01 This Agreement shall be made in full force and effect for all Employees listed in Schedule "A" from January 1, 2011 up to and including June 30, 2016.
- 2.02 This Agreement shall continue from year to year following the expiration date in Article 2.01 unless either party gives the other party, in writing, not earlier than ninety (90) days prior and not later than thirty (30) days prior in that year that the Agreement is due to expire or in any year thereafter.
- 2.03 No Agreement shall have any retroactive effect unless specifically provided. Schedule "A" Wages forms part of this Agreement and shall be effective on the date(s) as set out in Schedule "A".
- 2.04 Any changes deemed necessary in this Agreement may be made by mutual consent of both parties at any time during the life of this Agreement.

ARTICLE 3: NO DISCRIMINATION

- 3.01 Except as otherwise permitted, *The Human Rights Code* shall apply.
- 3.02 (a) All provisions in this Agreement have been negotiated in good faith with the specific understanding that the provisions and their administration contain no elements of discrimination. In the event that any of the provisions are deemed to be discriminatory the parties will negotiate the necessary adjustments to ensure there is no increased cost to the Division.
- (b) The Division and the Union agree that no form of harassment as defined in *The Workplace Safety and Health Regulation* shall be condoned in the workplace and it is further agreed that both parties will work together in recognizing and dealing with such problems should they arise. Situations involving harassment shall be dealt with in accordance with the Division Policy on employment related harassment and shall be treated in strict confidence by both the Division and the Union.

Employees against whom a complaint of employment related harassment has been substantiated may be subject to disciplinary action.

Where an Employee makes an unsubstantiated accusation against another person, then that Employee may be subject to disciplinary action.

- (c) Any case of physical assault upon an Employee by another Employee shall be reported forthwith by the Employee suffering the assault, or any other Employee having observed or having knowledge of the physical assault, to the Applicable Administrator. Any Employee alleged to have committed any such physical assault may be suspended immediately without pay and in cases where a physical assault did occur it will be considered grounds for termination of employment.

ARTICLE 4: DEFINITIONS

- 4.01 (1) Regular Full Time Employees are those Employees not designated as a Temporary or Casual who are working as per Article 13 (Hours of Work) of this Agreement, and who have satisfactorily completed ninety (90) working days as a Probationary Employee. Where mutually agreed between the Division and the Union, the probationary period with respect to any Employee may be extended a further thirty (30) days to one hundred twenty (120) working days.
- (2) Regular Part Time Employees are those Employees not designated as a Temporary or Casual who are working as per Article 13 (Hours of Work) of this Agreement, and who have satisfactorily completed ninety (90) working days or one hundred twenty (120) working days as the case may be as a Probationary Employee.
- (3) Regular Employees who are transferred or awarded a position pursuant to Article 6 (Staff Changes) remain as a Regular Employee of the Division but are considered as on a trial period with respect to the new position and are subject to the trial provisions of Article 6 (Staff Changes).
- (4) Wherever in this Agreement the term “Regular Employees” is used, it shall mean both Regular Full-time and Regular Part-time Employees. Where the term “Employee” is used it shall mean Regular, Temporary and Probationary Employees.
- (5) Temporary Employees
- (i) are those engaged to perform a specific task, or for a specific period of time or until the occurrence of a specific event. Where the continuous period of temporary employment exceeds one hundred and fifty (150) days of actual work performed over consecutive working days that Employee shall be deemed to be a Regular Employee as set out in sub-paragraphs (1) or (2).

- (ii) Where a Temporary Employee becomes a Regular Employee by virtue of the passage of time, pursuant to this sub-paragraph, seniority shall commence from the first day of continuous temporary employment. Also, benefits accrued during that period shall continue into the period of regular employment. Where a temporary employment ends prior to completion of a continuous period of one hundred and fifty (150) days of actual work performed over consecutive working days, accrued benefits under this Agreement shall subsist only during the duration of the temporary employment and once that temporary employment terminates and the Employee is again classified as a Casual or is no longer employed at all, the benefits that had been accrued shall cease to be.
 - (iii) The deemed Regular Employee provision of this Article shall not apply to Temporary Employees hired for maternity/parental leave vacancies.
- (6) Regular Full Time, Regular Part Time and Temporary Employees shall, subject to sub-paragraph (4) be eligible to claim all benefits incorporated in this Agreement, except that Temporary Employees shall not have recourse through the grievance and arbitration procedure in the case of discharge. Where the terms and conditions of benefit plans are underwritten by an insurance company or other external carrier, the terms and conditions of the benefits plans shall govern eligibility.
- (7) Casual Employees
 - (i) are those engaged on an irregular or unscheduled basis. Casuals shall not be covered under the provisions of this Agreement. If and when a Casual Employee is continuously employed for more than thirty (30) consecutive working days then that Employee will be designated as a Temporary Employee.
 - (ii) A Casual Employee will be paid the rate of pay at Step 1 in Schedule "A" for the classification in which the Casual Employee is engaged to provide service.
- (8) Probationary Employees
 - (i) are those Employees of the Division who are in the process of fulfilling the initial ninety (90) working days or one hundred twenty (120) working days as the case may be as a probationary requirement as set out in sub-paragraphs (1) and (2).

With the exception of the passage of time as covered in subparagraph (5), prior service as a Temporary or Casual shall not count as part of the probationary period leading up to regular employment.

- (ii) At any time during the probationary period the Employee may be terminated by the Division in its sole and exclusive discretion, and notwithstanding any provisions of this Agreement such termination shall not be grievable nor arbitrable and shall be deemed to have been for just cause.
- (9) For the purposes of this Agreement, the term "School Year" shall be that designated by the Minister of Education as set out in the Regulations to *The Public Schools Act*.
- (10) For the purposes of this Agreement, the term "lateral transfer and/or placement" shall be defined as assuming a different position moving to the rate of pay in the new classification closest to the Employee's current rate of pay which provides for an increase of a minimum of \$.40 per hour. Where there is no rate of pay in the new classification equal to or exceeding the Employee's current rate of pay, that Employee shall be placed on the maximum rate of pay in the new classification.
- (11) Suspension means the temporary removal of an Employee for disciplinary reasons, from a position of employment for just cause.
- (12) Applicable Administrator means the Administrative Officer, as designated by the Superintendent.
- (13) Students employed commencing on or after June 1st and terminating prior to September 30th in any year are not included within the scope of this Agreement.

ARTICLE 5: SENIORITY

- 5.01 Subject to Article 4.01(5), seniority under this Agreement shall apply only to Regular Employees upon completion of their probationary period, but shall be retroactive to the original date of continuous employment.

Seniority shall mean the length of a Regular Employee's continuous service in the bargaining unit.

- 5.02 A seniority list shall be prepared twice per year, once in December and once in June, and posted in the Administration, Maintenance and Transportation Offices. Each Regular Employee shall be permitted a period of twenty (20) working days after posting of such seniority list to protest, in writing, any alleged omission or incorrect listing to the Applicable Administrator, but such protest shall be confined to errors or changes occurring subsequent to the posting of a previous seniority list. In the event the Regular Employee does not file a written protest with the Employer within the time limits stipulated, the list shall be considered as accepted as regards that Regular Employee. However, when an Employee is on vacation, leave of absence or sick leave, the Regular Employee may protest that alleged omission or incorrect listing within twenty (20) working days of his/her return to work. If the Regular Employee's protest is not settled to the satisfaction of the parties to this Agreement and the Regular Employee affected, the matter shall be considered a grievance and shall be processed under Article 9 (Grievance procedure) hereof.
- 5.03 A Regular Employee shall lose his seniority and the Employee's name shall be removed from the seniority list for any one (1) of the following reasons:
- a. Voluntary termination of employment;
 - b. Discharged for just cause and not reinstated;
 - c. Voluntary retirement;
 - d. Failure to return to work following an authorized leave of absence unless through illness or other such reason acceptable to the Division.
- 5.04 Casual Employees shall not accumulate seniority.
- 5.05 Temporary and Probationary Employees shall not accumulate seniority until such time as the Temporary or Probationary Employee becomes a Regular Employee at which time seniority shall commence from the first day of the most recent continuous and unbroken employment.

ARTICLE 6: STAFF CHANGES

- 6.01 Seniority shall be the determining factor in matters of the awarding of positions, transfers, demotions, lay-offs and recalls subject to the Regular Employee having the ability to do the work in the judgment of the employer, having the necessary qualifications, being able to meet the requirements to perform the job as set out in the job description and having a good employment record.

Seniority is defined as the length of service in the bargaining unit and shall include service with the employer prior to the certification or recognition of the Union.

- 6.02 The successful applicant will be placed on a trial period of ninety (90) working days in that position. Where mutually agreed upon by the Union and the Applicable Administrator, the Regular Employee may be placed upon a further thirty (30) working days trial period. Conditional upon satisfactory service, appointment shall be confirmed after the ninety (90) working days or one hundred and twenty (120) working days trial period as the case may be. At the discretion of the Applicable Administrator, a further extension period equal to any period of absence from work by the Employee during the trial period(s) may be added to the trial period.
- 6.03 When a Regular Employee, who has assumed a new position but has not completed the trial period, takes an extended leave of absence, as per Article 17 (Sick Leave Provisions) or Article 22 (General Leave of Absence) or Article 24 (Leave of Absence for Union Business), the Regular Employee on the extended leave of absence shall not be guaranteed the position from which the Employee had not completed the trial period due to the Employee not being confirmed in the position.
- 6.04 Temporary and Probationary Employees
- (a) Where a Temporary or Probationary Employee is the successful applicant for a vacancy pursuant to a posting in Article 6.05 which vacancy is the same classification, the Temporary or Probationary Employee shall serve the initial one hundred twenty (120) day probationary requirement (Full Time Employees) or one hundred fifty (150) day probationary requirement (Part Time Employees) but receive credit towards that probationary service equal to the current service within that classification as a Temporary or Probationary Employee.
- (b) Where a Temporary or Probationary Employee is the successful applicant for a vacancy pursuant to a posting in Article 6.05 which vacancy is not the same classification, as set out in Schedule "A", as the Temporary or Probationary Employee, the Temporary or Probationary Employee shall serve the initial one hundred twenty (120) days of actual work performed probationary requirement (Full Time Employees) or one hundred fifty days (150) of actual work performed probationary requirement (Part Time Employees) and receive no credit from the current service as a Temporary or Probationary Employee.

- (c) As Temporary or Probationary Employees do not accumulate seniority which may be applied during any Temporary or Probationary employment, seniority shall not be a factor on behalf of these Temporary or Probationary Employees for matters of promotion, transfer, demotion, lay-off and recall during Temporary or Probationary employment.

Job Postings

- 6.05 Where a new position is created, or when a vacancy of a permanent or temporary nature occurs, the Division shall post notices in the Division Website, for a minimum of five (5) working days and inform the President of the Local as to all job postings.
- 6.06 Where a new position of a permanent or temporary nature is created the Division shall notify the President of the Union and discuss details as to the nature and wage rates for the new position. This discussion shall occur prior to the posting of the position as provided in Article 6.05.
- 6.07 Where a prolonged vacancy is expected to occur due to a Regular Employee taking an extended leave of absence, as per Article 17 (Sick Leave Provisions) or Article 22 (General Leave of Absence) or Article 24 (Leave of Absence for Union Business), the position shall be posted as a temporary position for a maximum of fifty-four (54) weeks. Where a Regular Employee takes an extended leave in excess of fifty-four (54) weeks the position shall, after the fifty-four (54) week term, be posted as a permanent position.
- 6.08 Such job posting shall contain the following information:
- (a) Nature of position, qualifications required, knowledge and educational skills required and test criteria if required, wage or salary rate or range and closing date for applications.
 - (b) Such qualifications shall not be established in an arbitrary or discriminatory manner.
- 6.09 If an Employee proves unsatisfactory or is not confirmed in the position during the trial period, that Employee will be returned to that Employee's former position and salary without loss of seniority and any other Employee transferred because of rearrangement of position shall also be returned to that Employee's former position and salary without loss of seniority.

- 6.10 Notwithstanding the provisions of Articles 6.05 through 6.09, temporary positions with an expected term of sixty (60) working days or less may be filled without posting. However, upon extension of the temporary position beyond sixty (60) working days and upon each or any subsequent extension, the position shall be posted and filled in accordance with Articles 6.05 through 6.09.

ARTICLE 7: MANAGEMENT RIGHTS

- 7.01 Except as otherwise expressly provided, the Division shall have the right, responsibility and authority to manage, operate and regulate the Division and its affairs and functions in all respects.
- 7.02 The Division agrees to exercise its management rights and the terms of this Agreement in a consistent, equitable and non-discriminatory manner.
- 7.03 The Division agrees to provide the Union Executive a copy of decisions regarding job descriptions, job postings, layoff letters, placement letters and discipline letters that pertain to or may affect any or all member(s) of the Union.
- 7.04 No Employee shall be disciplined or discharged except for just cause.
- 7.05 The specific terms of this Agreement shall be the source of any rights that may be asserted by the Union against the Board of Trustees and/or the Division.
- 7.06 The Union and its members agree to observe all the rules and regulations of the Board of Trustees and/or the Division which may now be in force or which may, at any time hereafter be put into effect, provided such rules and regulations do not conflict with any of the provisions of this Agreement.

ARTICLE 8: TEMPORARY WORK

- 8.01 An Employee may be shifted from one position to another, for temporary work, for a period not exceeding sixty (60) working days, but with no downward change in salary rate. When any Regular Employee is shifted pursuant to this Article, it does not constitute a reclassification to a Temporary Employee as defined in Article 4.01(5).

ARTICLE 9: GRIEVANCE PROCEDURE

- 9.01 For the purposes of this Agreement, a "grievance" is defined as a dispute or controversy between the Division and one or more of its Employees or between the Division and the Union concerning the interpretation, application, meaning, operation or alleged violation of this Agreement.
- 9.02 The word "days" as used in this article shall mean working days, other than Saturdays, Sundays, Christmas, Spring or Summer break, or a general holiday as set forth in Article 15 (General Holidays) of this Agreement.
- 9.03 An Employee has the right to representation by a Union Steward and/or C.U.P.E. National Representative at any stage of the grievance procedure.
- 9.04 The grievor and one (1) Union Steward shall be permitted to attend any grievance hearing held within working hours without loss of remuneration.

Employee Grievances**Discussion Stage**

- 9.05 Prior to filing any grievance pursuant to this Article, an Employee should, where appropriate, first approach the Employee's immediate supervisor to inform the supervisor of the facts of the matter and seek clarification where warranted. The Employee may choose to be accompanied by a Union Steward. Any discussion at this stage shall be without prejudice to the formal grievance process and shall have no effect on the timelines for filing a grievance as set out in Step 1 below.

STEP 1

Within ten (10) days after the date upon which the Employee first became aware of the action or circumstances giving rise to the grievance, the Employee or Union Steward shall present the grievance in writing to the Applicable Administrator or his/her designate. The Applicable Administrator or his/her designate shall issue a decision in writing to the Employee or Employees affected and to the Union within five (5) days of receipt of the grievance. The grievance shall be submitted in writing and state the nature and particulars of the grievance and the remedy sought.

STEP 2

Failing satisfactory settlement at Step 1 or failing receipt of a decision from the Applicable Administrator or his/her designate, the Employee, through the Union, shall submit the grievance and redress requested to the Secretary-Treasurer or his/her designate within ten (10) days of the date upon which the Applicable Administrator or his/her designate issued or is required to issue his/her answer. Within ten (10) days of the date of receipt of the grievance at this step, the Secretary Treasurer may hold a hearing and discuss the matter with the Employee and/or Union Steward and/or C.U.P.E. National Representative and shall issue his/her decision in writing to the Employee, with copies to the Union Steward and the Union within ten (10) days of the receipt of the grievance at this step.

STEP 3

Failing satisfactory settlement at Step 2 or failing receipt of a decision from the Secretary-Treasurer or his/her designate, the Employee and/or Union Steward and/or C.U.P.E. National Representative shall, within ten (10) days of the date upon which the Secretary-Treasurer or his/her designate issued or is required to issue his/her answer in writing, refer the written grievance to the Board of Trustees. Within ten (10) days of the next regularly scheduled Board meeting, the Board of Trustees shall issue its decision in writing to the Employee with a copy to the Union.

STEP 4

Failing satisfactory settlement being reached in Step 3, the Employee, through the Union, may, within fifteen (15) working days of the receipt of the decision of the Board, give written notice to the Secretary-Treasurer, or designate, of the intentions to refer the dispute to arbitration.

- 9.06 In the case of the dismissal or suspension of an Employee, the grievance shall be presented in writing within ten (10) days of the date of the suspension or dismissal and shall be commenced at Step 3 of the Grievance Procedure and thereafter the time limits specified for the remaining steps shall apply.
- 9.07 If the Division shall fail to comply with any of the time limits specified above, the Employee shall be entitled to submit the grievance to the next stage, including arbitration.
- 9.08 If the grievor fails to process a grievance to the next step within the time limits specified, the grievance shall be deemed to have been abandoned and the grievor shall not have further recourse through Article 7 of this Agreement.

9.09 The time limits above may be extended by written agreement of both parties.

Union or Division Grievances

9.10 Union or Division grievances shall be initiated by the grievor giving written notice to the other party within ten (10) days of the date on which the party giving the notice becomes aware or ought to have become aware of the action or circumstances giving rise to the grievance. If the grievance is not settled to the mutual satisfaction of the parties within ten (10) days of receipt of the notice, the grievor may refer it to arbitration. All notices shall identify the article of the current agreement allegedly violated and the redress sought by the grievor.

9.11 Grievances and replies to grievances shall be in writing at all stages.

ARTICLE 10: ARBITRATION

10.01 Failing settlement of any grievance under the procedure set forth in Article 9, (Grievance Procedure), such grievance may be submitted to arbitration.

10.02 When either party requests that a grievance is to be submitted to arbitration, that notice shall be made, in writing, addressed to the other party of the Agreement.

10.03 Within ten (10) working days thereafter, each party shall name an arbitrator to an Arbitration Board and notify the other party of the name and address of its appointee. These two (2) arbitrators shall appoint a third person to act as the Arbitration Chair.

10.04 If the recipient of the notice fails to appoint an arbitrator, or if the two (2) appointees fail to agree upon an Arbitration Chair within ten (10) working days after their nomination, the appointment shall be made by the Manitoba Labour Board upon the request of either party.

10.05 The decision of the Arbitration Board shall be final and binding on both parties, but in no event, shall the Board of Arbitration alter, modify or amend this Agreement in any respect.

10.06 The parties of this Agreement request that the Board of Arbitration hand down its decision within fifteen (15) working days from the date of the hearing.

10.07 Each party shall pay the fees and expenses of its appointee and one-half (1/2) of the fees and expenses of the Chair.

- 10.08 The time limits fixed in both the grievance and arbitration procedures may be extended by the mutual consent of both parties.
- 10.09 Nothing herein shall prohibit the Division and Union from agreeing on a single arbitrator. If such is agreed, the provisions of this Article relating to an Arbitration Board shall apply mutatis mutandis to a single arbitrator.
- 10.10 The Division shall permit the grievor and one (1) Union Representative to attend any arbitration hearing held within working hours without loss of remuneration.

ARTICLE 11: LAY-OFF AND RECALL

- 11.01 (a) An Employee who normally works 7 hours per day and whose hours have been reduced by the Division shall have the option of accepting the reduction or invoking the lay-off procedure.
- (b) Other Regular Employees whose hours of work have been unilaterally reduced by one hour or more per day shall have the option of accepting the reduction or invoking the lay-off procedure.
- 11.02 None of the provisions of this article apply to ten (10) month Employees who are not required to work during school closures (Christmas, Spring and Summer breaks), inservice/administration days.
- 11.03 Unless legislation is more favorable to the Regular Employee, the Employer shall notify Regular Employees who are to be laid off twenty-one (21) calendar days prior to the effective date of layoff. If the Regular Employee has not had the opportunity to work the days as provided above, the Regular Employee shall be paid in lieu of such notice. In cases where a Temporary Employee is no longer required, the Division shall give that Temporary Employee at least eight (8) hours notice of termination.
- 11.04 Both parties recognize that job security shall increase in proportion to the length of service. Therefore, a Regular Employee who is laid off may, subject to their procedure set out in Article 11.05 below, displace another Regular Employee within scope of this Agreement who possesses less seniority or displace any Temporary Employee, Probationary Employee or Casual Employee, provided that the more senior Regular Employee is, in the sole opinion of the Division, qualified and able to perform the job of the less senior Regular Employee or Temporary Employee, Probationary Employee or Casual Employee as set out in the job description, within a reasonable orientation period.

- 11.05 A Regular Employee to be laid off who chooses to displace another Regular Employee, Temporary Employee, Probationary Employee or Casual Employee must provide notice to the Division of his/her intent to displace and the name of the less senior Regular Employee, Temporary Employee, Probationary Employee or Casual Employee to be displaced within five (5) working days of receipt of his/her notice of layoff. Regular Employees who fail to provide such notice within the required time frame will forfeit their right of displacement and will be placed on the recall list. Temporary Employees, Probationary Employees and Casual Employees shall have no right to displacement.
- 11.06 (a) Where a Regular Employee has been displaced by a more senior Regular Employee pursuant to the provisions of Article 11.05 and the Regular Employee so displaced shall be deemed to be laid off and the process as set out in Article 11.05 shall apply to the displaced Regular Employee.
- (b) When a Regular Employee is laid off, the Employee may displace a less senior Employee, provided the Employee is qualified and able, in the judgment of the Division, to perform the job of the less senior Employee as set out in the job description. Should the laid off Employee not have sufficient seniority or is not immediately qualified to perform the duties of a less senior Employee, the laid off Employee shall be placed on the recall list, with copy furnished to the Union.
- 11.07 Regular Employees shall be recalled in order of their seniority. When a recall situation has arisen, the Division shall immediately notify, by registered letter to the last reported address of the Regular Employee, the most senior laid off Regular Employee who possesses, in the judgment of the Employer, the ability to do the work, the necessary qualifications, the requirements to perform the job as set out in the job description, and a good employment record. The Regular Employee must respond within ten (10) calendar days of receipt of notice of recall and must be prepared to return to work within thirty (30) calendar days of the Regular Employee's response to the Division. No new Regular or Probationary Employees shall be hired until those laid off have been given an opportunity of recall. Where an Employee on the recall list has been offered and refused a similar position of the same number of hours or a greater number of hours than those worked at the time of lay-off, that Employee shall be deemed to have resigned.

- 11.08 (a) In the event that temporary work assignments become available during normal school closures, the Division may offer such temporary employment to the ten (10) month Regular and Temporary Part Time Employees on seasonal lay-off.
- (b) Any Employee interested in undertaking such temporary work assignments shall advise the Applicable Administrator or designate, in writing, by May 1 of each year, as to the Employee's interest in accepting such temporary assignments or casual assignments. Assignment to such temporary work requires the Employee to have the ability to do the work in the judgment of the Employer, have the necessary qualifications, be able to meet the requirements to perform the job as set out in the job description and have a good employment record. Where all criteria are deemed equal by the Employer seniority shall prevail.
- (c) The rate of pay and benefits shall be the rate of pay and benefits prevailing for the temporary assignment, notwithstanding the normal rate of pay and benefits of the ten (10) month Employee.
- 11.09 No Employee shall be permitted to remain on the recall list in excess of eighteen (18) months following the month in which the lay-off occurred. If a suitable position has not been offered within eighteen (18) months, employment with the Division will be deemed to have been terminated, and the Employee's name shall be removed from the recall list, and the Division shall inform the Employee in writing of this action.
- 11.10 This article shall apply to Regular Employees only.

ARTICLE 12: WAGES AND PAY PRACTICES

- 12.01 The Division shall pay wages in accordance with Schedule "A" attached hereto and forming part of this Agreement.
- 12.02 Salaries shall be paid on a bi-weekly basis, normally every second Friday. At the end of each pay period, the Division will provide each Employee with a breakdown of the Employee's earnings, indicating the regular hourly rate, the number of hours worked, the number of hours paid as statutory holidays and the amount paid as vacation pay.
- 12.03 When an Employee is required because of absence to assume the duties of a higher classification, the Employee shall be laterally placed on the scale of the assumed position commencing on the third day of assuming such duties. Such pay shall be retroactive to the first day of the commencement of such duties.

12.04 Normally, all Employees shall move to the next highest step on the salary scale on the first day of the month in which their anniversary occurs.

(a) Regular and Temporary Employees employed by the Division in a position outside the scope of this Collective Agreement and who becomes employed in a probationary, temporary or regular position within scope of this collective agreement shall have as their anniversary date for increments, their most recent date of continuous employment with the Division within scope of this Collective Agreement.

(b) Employees currently employed within scope of this Collective Agreement who move from one classification to another, both within scope of this Collective Agreement, shall retain their current anniversary dates for increments.

12.05 Employees within this Agreement hired in a new classification shall be placed at the step in the new classification at the rate of pay closest to the Employee's current rate of pay which provides for an increase of a minimum of \$.40 per hour.

12.06 Employees will normally be hired at Step 1 of their classification. Should it be considered necessary to hire an Employee at other than Step 1, the Association shall be notified.

12.07 As conditions of employment and to be eligible to receive paid wages, the following shall apply:

(i) Each Employee must have established a bank account into which the wages are to be deposited directly by the employer with the Employee having signing authority over that bank account either exclusively or as part of a joint account held with one or more other individuals.

(ii) Each Employee must fully complete and sign all applicable benefit forms and payroll related documents as may be required and submit same to the Employer prior to the commencement of active employment.

Re: Telephone Calls and Electronic Alerts and Notifications Outside of Work Day

This Letter of Understanding applies to:

- (a) International Student Program Homestay staff ("Homestay Staff");
- (b) Information Technology Computer Technicians and Network Manager staff ("Computer Technicians and Network Managers")

1. The Homestay staff and Computer Technician and Network Manager staff recognize that the circumstances of their employment and individual responsibilities require that they will, from time to time, need to attend to these responsibilities at times outside of their normal hours of work including the receiving of telephone calls or responding to electronic alerts or notifications requiring information technology action. Guidelines, rules and procedures shall be established and maintained with respect to the authorization and operation of work performed by the Employees outside of their normal hours of work as follows:

- (a) The Director of the International Student Program with respect to the Homestay Staff;

- (b) The Director of Information Technology with respect to the Computer Technicians and Network Managers.

2. When an Employee receives a business telephone call between the end of the Employee's normal work day and the start of the Employee's normal workday, Monday to Friday, or at anytime on Saturday or Sunday or on a Statutory Holiday or day designated to substitute for a Statutory Holiday, the Employee shall answer the telephone call and attend to the work arising from the telephone call. Likewise, when a Computer Technician or a Network Manager receives an electronic alert or notification requiring information technology action, the Computer Technician or Network Manager shall respond to the electronic alert or notification requiring information technology action.

3. The compensation to be paid to Employees with respect to the work defined in No. 2 above is set out below:

If the telephone call, is of less than one (1) hour duration then the Employee shall receive pay for one (1) hour at the Employee's Regular Hourly Rate. If the technology action required of the electronic alert or notification lasts less than one (1) hour duration then the Employee shall receive pay for one (1) hour at the Employee's Regular Hourly Rate. This compensation shall apply to each separate and distinct telephone call except in the circumstances set out below.

- (a) If more than one (1) telephone call or electronic alert or notification on the same matter occurs within one (1) hour, there shall be no additional hour of compensation paid with respect to the second telephone call.
- (b) Where the telephone call or required technology action in response to an electronic alert or notification exceeds one (1) hour in duration, then the actual time of the call would be paid as compensation at the Employee's Regular Hourly Rate. If the length of the telephone call or technology action causes the total length of work time to exceed eight (8) hours in a day or forty (40) hours in a week, the time worked in time shall be paid at the Overtime Hourly Rate.
- (c) In the event that a second telephone call or electronic alert or notification occurs more than one (1) hour after the first telephone call, then the Employee shall receive pay for an additional one hour at the Employee's Regular Hourly Rate in respect of the second telephone call or electronic alert or notification. If the length of the second or subsequent telephone call or second or subsequent technology action causes the total length of work time to exceed eight (8) hours in a day or forty (40) hours in a week, the time worked in time shall be paid at the Overtime Hourly Rate.
- (d) If, as a consequence of the telephone call or electronic alert or notification the Employee is required to return to work or attend at a school or other location, the compensation as set out above shall not apply, but rather, the Employee shall be paid for the actual time spent attending at the site with a minimum payment to be three (3) hours at the Regular Hourly rate of pay notwithstanding that the actual amount of time spent may be less than three (3) hours.
- (e) When an Employee is required to return to work or attend at a school or other location as referenced in Paragraph (d), a comparison shall be made between the minimum payment of the three (3) hour call out or the actual amount that would be paid to the Employee based on the applicable Regular Hourly Rate or Overtime Hourly Rate. The Employee shall be paid the greater of the amounts compared. See Examples "A" and "B" set out below.

In order to receive the compensation pursuant to this paragraph Employees must log the details of the additional and overtime work and/or telephone calls setting out the length of the time and details of the work. This log is to be submitted to their appropriate Director for consideration of approval on forms to be provided for this purpose. Timesheets receiving the approval of the appropriate Director shall be submitted to the Payroll Department for payment.

4. Examples

Example "A"

In this example a Network Manager responds to an electronic alert or notification at 1:00 a.m. on a Wednesday night and the information technology action takes 15 minutes to complete. Assuming that the Network Manager is at Step 6 the compensation would be \$39.53 (using the July 1, 2010, rate of pay for the example) since the technology action was completed in less than an hour.

Example "B"

In this example the Homestay Facilitator receives a telephone call at 1:00 a.m. on a Wednesday night which lasts for fifteen (15) minutes but which requires her to attend at a homestay family home for 1.5 hours. Assuming the Homestay Facilitator is at Step 6, the regular hourly rate is \$25.81 (using the July 1, 2010, rate of pay for the example) total compensation would be the greater of the two following amounts:

- (a) Minimum compensation for reporting to work which is three (3) times the Regular Hourly Rate or $(3 * \$25.18)$ **\$75.54**;
- (b) Actual time worked which would be one (1) hour at straight time plus three-quarters (.75) hour at one and one-half (1.5) times because the Employee would be working forty-five (45) minutes beyond eight (8) hours in a day. The compensation under this calculation is $((1 * \$25.18) + (.75 * \$25.18 * 1.5))$ **\$53.51**.

Since the minimum payment for reporting to work is greater than the compensation for the actual time worked, the compensation in Example "B" would be \$75.54.

ADDENDUM NO. 1		
Workers' Compensation Board Top Up Methodology (June 22, 2006)		
The parties agree that the procedures and methodology as set out in this Addendum No. 1 shall be adopted and applied for the administering of workers' compensation.		
1	Employee Options	No option offered.
2	Top-Up Calculation	The Top-up shall be calculated as follows: For Full-time Staff – Regular Gross Pay (plus Vacation Pay when paid with each cheque) less 20% and Part-time staff less 15% (estimated for C.P.P., E.I., and Income Tax) = Net Pay * 10% of Net Income as defined by W.C.B. which is the portion not paid by W.C.B. Subject to No. 3 below, the Top Up will be increased by the amount required to maintain the same contribution to the M.A.S.T. Pension Plan that was being made prior to the Employee commencing W.C.B. leave.
3	Annual Limit on Contributions to the M.A.S.T. Pension Plan	Federal law currently does not permit contributions into a pension plan which exceed 18% of earned income in any calendar year (Employee plus employer matching contributions). For Employees on longer terms of W.C.B. leave, this means that the Pre-W.C.B. pension contributions may not be able to be maintained for the full period of the W.C.B. leave period. In the Fall of each year or whenever an Employee is on W.C.B. leave for 18 weeks (9 pay periods) in any calendar year, the Secretary Treasurer's Department will review the status of the W.C.B. recipient to determine whether or not the 18% ceiling has been breached. If the ceiling is expected to be or has been breached, adjustments to the pension contributions (including recovery, if necessary) shall be made to ensure that the contributions remain within 18% of earned income.
4	Effective Date	As soon as Payroll is notified that an Employee is filing a W.C.B. claim including the date of the injury, and it seems clear that the Employee will be approved for W.C.B. benefits, the effective date of W.C.B. benefits and Top Up is the day following the day of the injury.
5	Ordinary Advance of W.C.B. Benefits	Due to the time delay between the reporting of the injury to W.C.B., the completion of the approval process and issuing of W.C.B. benefits cheques, the Division will issue an Advance of W.C.B. benefits equal to 1 pay period of estimated benefits. The Advance will be paid on the normal pay date for the applicable pay period. The Division will notify W.C.B. as to the amount of the Advance paid and W.C.B. will issue a cheque to the Division for the amount of the Advance and deduct that amount from benefits sent to the Employee.

ADDENDUM NO. 1 (continued)		
Workers' Compensation Board Top Up Methodology (June 22, 2006)		
6	Additional Advance of W.C.B. Benefits ONLY when injury occurs in First Week of Pay Period	As injuries can occur during any part of any pay period the Regular Gross Pay for the pay period will be adjusted and an Additional Advance paid (in addition to the Ordinary Advance) to cover the period between the date of the injury and the end of the pay period. This can only be done if there is time to adjust the payroll reflecting a portion as Regular Wages and a portion as Advance of W.C.B. Benefits. In this case, the Division will notify W.C.B. as to the amount of the Additional Advance paid and W.C.B. will issue a cheque to the Division for the amount of the Additional Advance and deduct that amount from benefits sent to the Employee.
7	Additional Advance of W.C.B. Benefits ONLY when injury occurs in Second Week of Pay Period	In some cases, the injury may occur during a pay period at a time when the Regular Gross Pay for that period cannot be adjusted as provided in No. 5. In this case, the full Regular Gross Pay will have been paid. The total Regular Gross Pay paid for the days when the Employee was actually injured during that pay period shall be considered as Additional Advance of W.C.B. benefits and treated the same way as provided in No.5 with corrections for C.P.P., E.I. and Income Tax in a subsequent period. (Gross Pay is reversed and Advance entered in next pay period).
8	W.C.B. Benefits Payments	Except for the Division receiving reimbursement from the W.C.B. for the Advance and Additional Advance paid, all W.C.B. benefit cheques would be sent directly from W.C.B. to the Employee.
9	Division Payments	Except for the Advance and Additional Advance the only payments from the Division to an Employee in receipt of W.C.B. benefits payments will be the Top up payment.
10	Sick Leave Deduction	The amount of sick leave to be deducted from the Employee for any pay period is the dollar amount of the Top up payment divided by the Employee's hourly rate of pay and sick leave converted to and deducted in hours.
