ATTENTION Safe Grad Committees:

Update on Safe Grad Manitoba for 2021/22 School Year

Safe Grad Manitoba has decided to postpone our annual Conference this (usually held at the Victoria Inn end of November/early December) with sights on potentially holding it in the new year. In the meantime, we invite all Safe Grad Committees to please refer to the Safe Grad document - [https://www.mbschoolboards.ca/documents/services/riskManagement/safeGrad/Safe%20Grad%20\(English\).pdf](https://www.mbschoolboards.ca/documents/services/riskManagement/safeGrad/Safe%20Grad%20(English).pdf)

Committees who have further questions related to Safe Grad are able to send inquiries to safegrad@mbschoolboards.ca. In-person or virtual discussions are also available if required.

For this year, in order to offer our Liability coverage for all committees, we are requiring **all** applicants to fill out activities as per normal but to also include current Manitoba Public Health measures taken at the time of your planned Safe Grad event. Please note, Covid-related claims are **not** covered by our policy. Click [here](#) for current State of Emergency and Public Health Orders in Manitoba.

Please be aware, venues will have the option of implementing their own restrictions above and beyond the Manitoba Public Health requirements and it is the responsibility of all committees to be aware of these restrictions, including but not limited to: requiring full vaccinations for all attendees (grads/guests/parents/volunteers) and restrictions on attendance numbers. Committees are encouraged to contact LGCA for questions surrounding permits and approvals.

We are hopeful that Safe Grads will be back to normal as much as possible and your patience is appreciated as we work through the challenges of restoring the celebration all grads deserve.

Private property locations are not encouraged for sanctioned Safe Grads activities. *Please contact us if you wish to discuss this further.*

Thank you.
