

A Standards Framework for Effective and Efficient School Board Governance

Effective and Efficient Governance, or E²G, is a core priority for the Manitoba School Boards Association. A [standards framework](#) was developed to provide trustees with guidance on these critical elements of school system governance. To expand upon these ideas, key components are being added to each area as the year progresses and to further assist trustees in their professional development efforts in these areas, events such as seminars and the annual convention, customized workshops for individual boards, and on-line learning opportunities are continuing throughout 2015-16. Access to any of these resources, can be had through the links on this page.
