

# Risk Management Bulletin

Keith Thomas, Risk Manager

e-mail: [kthomas@mast.mb.ca](mailto:kthomas@mast.mb.ca)

Ice in winter can be a whole lot of fun for skating, hockey, curling.

But ice in winter can also be a whole lot of NO fun resulting in slips and falls.

Reduce ice exposure on walkways and sidewalks by spreading sand, salt or ice pellets and remember to keep a log on a daily basis.

Visit MAST's website for additional risk management information at [www.mast.mb.ca](http://www.mast.mb.ca)
