INCLUSIVE EDUCATION MONTH

The Province of Manitoba has [proclaimed](#) February as *Inclusive Education Month* to raise awareness of the importance of the concept of inclusion and being an inclusive community.

The *Public Schools Act* supports Manitoba's philosophy of inclusion, which states:

Inclusion is a way of thinking and acting that allows every individual to feel accepted, valued, and safe. An inclusive community consciously evolves to meet the changing needs of its members. Through recognition and support, an inclusive community provides meaningful involvement and equal access to the benefits of citizenship.

In Manitoba, we embrace inclusion as a means of enhancing the well-being of every member of the community. By working together, we strengthen our capacity to provide the foundation for a richer future for all of us.

LOUIS RIEL DAY

Do you know the origin of this holiday's name? In 2008, Manitoba schools were invited to name our province's newest [holiday](#), and [114 responded](#) with suggestions that reflected Manitoba's citizenship, history, culture, arts, sports and significant individuals from our past.

Eleven schools submitted the winning entry and received \$1,000 grants to purchase materials for their school library. [Louis Riel Day](#) occurs on the third Monday of February in Manitoba, and in 2021 the holiday lands on February 15.

Louis Riel was a passionate Métis leader who had a dream of a civilized world that embraces all cultures. This Louis Riel Day, take some time to reflect and celebrate this dream.
