## **ARTICLE 6 – GRIEVANCE PROCEDURE**

- 6.01 Definition of Grievance - A grievance shall be defined as any difference arising out of interpretation, application, administration, or alleged violation of the Collective Agreement.

6.02 Settling of Grievances

An earnest effort shall be made by all concerned to resolve grievances fairly and promptly in the following manner.

Step 1 - An employee who believes they have a legitimate complaint shall first attempt to resolve the complaint at a meeting with their immediate non-unionized Supervisor, within ten (10) working days of the cause of the complaint or in the event the complaint originates while an employee is on an approved leave of absence within ten (10) working days upon their return to work.

Failing resolution of the verbal complaint within five (5) working days of the above-noted meeting, the complainant may submit the complaint in writing to and meet with the Supervisor in an attempt to resolve the complaint. The Supervisor shall respond to the employee in writing within ten (10) working days of the meeting with the complainant.

Step 2 - Failing a satisfactory settlement of the complaint, the employee may proceed to the formal grievance process. The grievor shall meet with the Union Grievance Committee within five (5) working days of receipt of the Supervisor's reply. The Union Grievance Committee will assist the grievor in filing a written grievance. The grievance shall be submitted on a CUPE grievance form to the Office of Human Resources within ten (10) working days of receipt of the Supervisor's reply stating clearly the particulars of the grievance, the article(s) of the collective agreement allegedly violated (see 6.01 Definition of Grievance) and the redress sought.

The Office of Human Resources shall meet with the grievor and the Union Grievance Committee within ten (10) working days of receipt of the grievance for the purpose of attempting to resolve the grievance. The Office of Human Resources shall render its decision in writing within ten (10) working days of receipt of the grievance.

Step 3 - Failing a satisfactory settlement being reached in Step 2 the Union Grievance Committee may submit the grievance to the Board of Trustees within five (5) working days of receipt of the Office of Human Resources' decision. The Board of Trustees may at its discretion, or shall on the request of the Union, convene a special meeting for the purpose of hearing the grievance. The Board shall render a decision in writing within ten (10) working days of a duly constituted Board Meeting at which the decision is made and, in any event, within twenty (20) working days of official receipt of the grievance by the Board of Trustees.

Step 4 - Failing a satisfactory settlement being reached in Step 3 the Union may within ten (10) working days of receipt of the Board's decision refer the matter to Arbitration (see Article 7), or advise the Board in writing that it does not intend to proceed to Arbitration.

- 6.03 Grievances and the replies shall be in writing at all stages.
- 6.04 Grievances settled satisfactorily shall date from the time of the incident unless otherwise mutually agreed.
- 6.05 Time limits, as specified in Article 6, may be extended by mutual agreement.
- 6.06 Where a dispute involves:
  - a) a question of general application or interpretation, Step 1 may be bypassed.
  - b) the discharge or suspension of an employee, Step 1 and/or Step 2 may be bypassed.

## **ARTICLE 7 – ARBITRATION**

- 7.01 When either party requests that a grievance be submitted to arbitration, the request shall be made in writing addressed to the other party to the Collective Agreement.
- 7.02 Within ten (10) working days of receipt of the referral of the grievance to arbitration the parties shall attempt to mutually agree upon a Sole Arbitrator to resolve the grievance. Failing agreement on a Sole Arbitrator within ten (10) working days, each of the parties shall name their arbitrator to sit on a three (3) person Arbitration Board.

The two (2) selected arbitrators shall then select a third (3<sup>rd</sup>) person to act as chairperson of the Arbitration Board.
- 7.03 If the recipient of the notice fails to appoint an arbitrator, or if the two (2) appointees fail to agree upon a chairperson within ten (10) working days, the appointment shall be made by The Manitoba Labour Board upon the request of either party.
- 7.04 The decision of the Arbitration Board shall be final and binding on both parties, but in no event shall the Arbitration Board alter, modify or amend this Agreement in any respect.

- 7.05 No person shall be selected as a member of the Arbitration Board who:
- a) is acting or has, in a period of one (1) year prior to the date on which notice of desire to submit the matter to arbitration is given, acted as a solicitor, counsel, or agent of any of the parties to the arbitration.
  - b) has a pecuniary interest in the matters referred to this Arbitration Board, other than being a taxpayer.
- 7.06 Expenses of the Arbitration Board;
- a) each party shall pay the fees and expenses of the arbitrator it appoints;
  - b) the Sole Arbitrator's or Chairperson of the Arbitration Board's fees and expenses shall be shared equally by both parties.
- 7.07 Time limits may be extended by mutual agreement between the Division and the Union.

## **ARTICLE 8 – SENIORITY**

- 8.01 Seniority Defined – Seniority is defined as the length of continuous service in the Division since the date of last hire but adjusted in accordance with Article 11.

For employees employed on a ten (10) month basis, because of the nature of their positions due to the closing of schools during July and August, the ten (10) month basis of employment shall be construed as one (1) year's service for the purpose of seniority.

Term employees will be given consideration for all jobs not filled internally provided they meet the criteria as outlined in Article 10.02.

- 8.02 Establishment of Seniority

- a) Seniority shall be established upon the completion of the probationary period and shall count from the date of employment.
- b) In the event a permanent employee contemplated by a) above has previously been employed by the Division in a term position(s), for seniority determination purposes only, that employee's seniority shall count from the date of employment in any consecutive term position(s) and that the consecutive term positions terminated within thirty (30) calendar days of commencing permanent employment.

For employees employed on a ten (10) month basis, because of the nature of their positions due to the closing of schools during July and August, this period shall not be considered a break in consecutive service.

- c) In the event a permanent or term employee was previously a casual employee (see Article 2.01 a)), seniority shall be recognized for that casual employment provided the casual employment was for a minimum of twenty (20) consecutive working days in the same position and is consecutive of commencement in a permanent position or in a term position qualifying for seniority recognition in accordance with b) above.
- 8.03 Seniority shall be maintained and accumulated during:

- 1) absence due to personal illness or injury up to the maximum days accumulated under the provisions of the collective agreement;
- 2) absence due to a compensable accident under Workers' Compensation;
- 3) authorized leave of absence up to sixty (60) calendar days;
- 4) the statutory period of absence for maternity/parental leave as provided for in the *Employment Standards Code*;
- 5) authorized leave of absence for Division approved apprenticeship training.

8.04 Seniority shall be maintained but not accumulated during:

- 1) authorized leave of absence in excess of sixty (60) calendar days;
- 2) leave of absence beyond the statutory period of absence for maternity leave as provided for in the *Employment Standards Code*;
- 3) a period of lay-off up to one (1) calendar year after the 30th day of September following the date of lay-off.

8.05 An employee shall lose their seniority standing for the following reasons, when or if:

- 1) the employee terminates;
- 2) the employee is discharged for just cause and is not reinstated;
- 3) the employee fails to return to work following an authorized leave of absence;
- 4) the employee
  - a) does not return to work from lay-off within ten (10) working days of being notified by registered mail; or
  - b) fails to report immediately following the notice period required to be given to another employer, said notice to be given immediately upon receipt of recall notice; or
  - c) where the laid off employee fails to report due to illness and such illness is not substantiated by a medical certificate.
- 5) the employee is laid off for a period that exceeds one (1) calendar year after the 30th day of September following the date of lay-off.

8.06 The Union shall be provided each year with an up-to-date electronic copy of the seniority list not later than October 31<sup>st</sup> of each year. The seniority list will be as at the previous August 31<sup>st</sup>, and will include all employees who have completed their probationary periods as of that date.

8.07 Each employee shall be permitted a period of ninety (90) working days after receipt of such seniority list to protest in writing any alleged omission or incorrect listing to the Secretary-Treasurer or their designate, but such protests shall be limited solely to errors or changes that have occurred since the publication of the previous seniority list. Any

errors or changes identified and approved shall become effective on the date of receipt of such protest and shall have no retroactive effect on this or any other article. In the event the employee does not file a written protest with the Division within the time limit stipulated, the list shall be considered as accepted as regards to that employee. However, when an employee is on vacation, leave of absence, or sick leave, the employee may protest the alleged omission or incorrect listing within ninety (90) working days of their return to work.

## **ARTICLE 9 – LAY-OFFS & RECALLS**

- 9.01 In the event the Division decides that employee lay-offs are necessary, employees will be laid off on the basis of seniority, as defined in Article 8.01, within the job, as defined in Article 2.01(c), in which they are employed.

Lay-off means an employee's employment is discontinued due to a shortage of work or an elimination of a position(s) or job(s).

Notwithstanding the foregoing, in the event of lay-off, qualifications and ability to meet the requirements of the position shall be the main criterion. When qualifications and ability are relatively equal, seniority shall prevail.

Article 9 shall not apply to Term employees.

- 9.02 The Union recognizes the right of the Division to assign employees to schools under its jurisdiction. In the event positions are eliminated, the least senior employee(s) in the job in which positions are being eliminated will be identified for lay-off.

The incumbents of those positions who are not subject to lay-off due to seniority will be considered for reassignment within the job on the basis of seniority.

The Division shall provide to any employee being considered for transfer an opportunity for consultation with respect to the transfer. Individuals within a job will be consulted on the basis of seniority. The most reasonable notice possible given the circumstances shall be provided to the employee being transferred.

- 9.03 The reassignment of an employee identified for lay-off shall not result in a promotional opportunity for that employee.

An employee who has been identified for lay-off, will be entitled to exercise their seniority rights to displace an employee with the least seniority in a job that has both the same or a lesser pay range and the same or lesser assigned hours than:

- i) the position from which they are being laid off, or
- ii) any position that they held within the school year when the notice of potential lay-off occurs,

provided they possess the required ability, skill, and qualifications for the position.

- 9.04 The Division shall give an employee written notice of layoff or reduction of original permanent hours at least ten (10) working days prior to the effective date of the lay-off, or in the absence of sufficient notice, pay in lieu thereof.

- 9.05 Employees who are laid off shall be placed on a re-employment list on the basis of seniority. A laid off employee shall remain on the re-employment list:
- i) until they are re-employed by the Division; or
  - ii) subject to Article 9.06 (b) ii), until an employee declines a recall to a position within the same job from which they originally were laid off; or
  - iii) for a period of one (1) calendar year after the 30th day of September following the date of lay-off;

whichever comes first.

An employee who is removed from the re-employment list as a result of the application of this clause under ii) or iii) above, shall be notified in writing that their employment has been terminated.

- 9.06 In affecting the recall of an employee, the reassignment of an employee shall not result in a promotional opportunity for that employee. No position shall be posted and no new employee hired until the employees on the re-employment list have been given the opportunity of recall as follows:
- a) Employees placed on the re-employment list shall be recalled on the basis of seniority provided:
    - i) an individual employee possesses the required ability, skill, and qualifications for the position; and
    - ii) the position is in a job that has both the same or a lesser pay range and the same or lesser assigned hours as the job from which the employee was laid off.
  - b) An employee shall have the right to decline recall, with no effect on their status on the re-employment list, if the recall is:
    - i) to a position that is in a different job from that which the employee was laid off;
    - ii) on one occasion only, to a position that is in the same job as that from which the employee was laid off.

It is the responsibility of the employee to report an address to which a recall notice can be delivered. Recall notices will be delivered by registered mail to the last reported address given by the employee and an employee who is recalled from lay-off shall be required to indicate within six (6) working days of the registered letter being received of their intent to return to work and shall be required to return to work on the date set out in the notice, which date shall be not less than ten (10) working days following such notification unless by mutual agreement.

- 9.07 Employees on the re-employment list are eligible to apply to any postings in the Division. Postings are available on the Division website.

**ARTICLE 10 – VACANCIES AND PROMOTIONS**

- 10.01 a) For positions that are within the scope of this agreement, the Division agrees to post notices of all job vacancies or newly established positions to be filled on a permanent basis. The Division further agrees to post notices for positions that are deemed term vacancies that will exceed three (3) months in duration. The Division agrees that these vacancies will be posted for a period of not less than five (5) working days. A regular position shall not be considered a new position only by reason of adding to the number of hours previously allocated to the position.
- b) Positions within the Educational Assistant classification vacated within the school year, resulting in a permanent job vacancy, shall be posted as per Article 10.01 a) above. In special circumstances where the filling of such a vacancy would result in disruption to a student program and/or classroom situation, the permanent position will commence in the following school year. As such, the vacancy shall then be filled for the remainder of the school year as term and shall be posted as per Article 10.01 a) above.
- c) The Division agrees to place on the bulletin board at the Maintenance/ Transportation Building a notice for the attention of bus drivers only any program runs as they become or expect to become available. Such program runs shall be other than regular runs and shall be awarded on the basis of seniority to those drivers who apply in writing to the notice, provided that the driver is readily and regularly available for said program runs.
- d) Permanent employees may only apply to term vacancies provided the term vacancy is within their classification.

10.02 Role of Seniority in Staff Changes

- a) Both parties recognize:
- i) the principle of promotion within the service of the Division;
  - ii) that job opportunity should increase in proportion to length of service.

Seniority shall be considered a factor for transfer, promotion, lay-off, increase in hours and recall. The Division shall choose the candidate with the required qualifications and ability for the position. If qualifications and ability are equal, then the employee with the greatest seniority shall be chosen.

- b) Any permanent employee transferring to another classification through successful application, shall be considered to be on a trial period in their new position for a period of three (3) working months actively performing the job duties. If, within this trial period, the employee advises the Division in writing of their wish to revert to their former position, or in the event of unsatisfactory performance in the new position during the trial period, they shall be returned by the Division to their former position at the earliest opportunity, without loss of seniority and at the wage rate for the position being assumed. If the employee returns to their former position within the trial period, the Division may revert to the original recruitment posting in considering applicants to fill the resulting vacant position.
- c) Any employee transferring to another job, or an additional job, shall be paid at:

- i) the next highest rate in the new job if that new job is at a higher rate of salary than the former/present job; or
  - ii) the next lowest rate in the new job if that new job is at a lower rate of salary than the former/present job.
- d) Upon achieving third (3<sup>rd</sup>) year in a classification, an employee transferring or promoting into a different job in the same classification will be paid at the third (3<sup>rd</sup>) year rate.

**10.03 Promotions Requiring Higher Certification or Qualification**

In cases of promotion requiring higher certification or qualification, the Division will give consideration to employees who do not hold the required certificate/diploma or qualification, subject to the candidate obtaining the required certificate/diploma or qualification prior to the completion of the probationary or trial period, or a longer period as determined by the Division. If the employee fails to obtain the required certificate/diploma or qualification, they shall be returned to their former position or similar position having regard to the operational requirements of the Division.

10.04 The Union shall be notified of all appointments, promotions, hirings, lay-offs, transfers, recalls, and terminations of employment within the month in which the staff changes were made.

10.05 In order to assist the Division in posting notices of vacancies prior to the end of the school year and in an attempt to provide employees with a better knowledge of future openings within the Division, both parties agree that employees contemplating resignation should submit their notice of resignation, wherever possible, prior to April 30<sup>th</sup> of each year.

10.06 Any employee covered by this Agreement who has given good and faithful service to the Division and who, through advancing years or temporary disablement, is unable to perform their regular duties, shall be given the preference of any light work available and shall receive the salary payable for the new position to which assigned.

10.07 When a designated employee is temporarily assigned to a higher paid job and carries out the duties of that job, the employee shall be paid the wage rate of the job to which assigned at the same step as in the employee's regular job.

**ARTICLE 11 – PROBATIONARY PERIOD**

11.01 Every employee shall be placed on probation for a period equivalent to six (6) working months of uninterrupted service. Uninterrupted service is determined from the date on which employment commenced and excludes any unpaid absences. An employee while on probation may not apply to vacancies.

11.02 Probationary employees shall be entitled to all rights and privileges of this Agreement, except that they shall not have recourse through the grievance and arbitration procedure for suspension or discharge.

11.03 Upon completion of the probationary period, seniority shall be retroactive to the original date of employment.

11.04 The Division may, acting reasonably, extend for a further six (6) months the probationary period of any employee who has not attained the level of performance expected of the job or who have not yet earned the qualifications/certifications expected of the job.

**ARTICLE 12 – HOURS OF WORK**

12.01 Employees in the Custodial classification shall work up to eight (8) hours per day, five (5) days per week, Monday through Friday, except for the second (2<sup>nd</sup>) day worker in all Class I schools, who may be required to work on a Tuesday to Saturday schedule.

12.02 Employees in the Maintenance and Trades classifications shall work on a regular schedule of up to eight (8) hours per day, five (5) days per week, Monday through Friday, except that, if a maintenance or trades worker on a regular schedule is required for a number of hours by the Supervisor to check the school heating systems on Saturdays, Sundays, and statutory holidays, the Supervisor will arrange for that worker to have the same number of hours off their regular schedule, provided that, if the said worker is required to work more than eight (8) hours in any day or more than forty (40) hours during any seven (7) consecutive days, they shall be paid for the extra hours worked at the rate set forth in Article 14, but they shall not have these extra hours off their regular schedule.

12.03 Bus Drivers shall be paid for regular run assignments on a daily minimum hours basis as follows:

- A.M. or P.M. or Noon Assignment      2 hours daily
- A.M. and P.M. Assignment              4 hours daily
- A.M., Noon and P.M. Assignment      6 hours daily
- Duties as assigned                        8 hours daily

A bus driver whose regular run assignment, as set forth above, consistently requires that they work at least fifteen (15) minutes longer per day shall be paid for extra time worked to the nearest one-half (1/2) hour per day as long as the assignment so requires. Daily hours worked will be determined by the Supervisor of Transportation in consultation with the driver as actual driving time plus thirty (30) minutes per trip for assigned related duties, such as inspections, fuelling, paperwork, cleaning, etc.

A driver shall be paid a minimum of two (2) hours per program run assignment except when assigned as an extension of a regular run. If such program run assignment exceeds two (2) hours the extra time worked shall be paid as set forth above.

12.04 Field Trips

a) At the start of each new school year, drivers' names shall be placed on the field trip bus drivers' roster at the pay rates as per the Collective Agreement and expense reimbursement, as from time to time set by the Board of Trustees.

School bus field trips shall be offered to school bus drivers on a voluntary basis. No school bus driver is obliged to take a field trip. Electing not to accept a school bus field trip shall not prejudice future job assignments or considerations.

Permanent school bus drivers shall be given the first opportunity to take field trips. No driver shall be allowed to forego their program run (band, swimming, special needs), custodial assistant, lunch assistant or educational assistant assignments to take a field trip. At all times, regular school bus runs shall receive priority consideration.

- b) A regular driver taking a field trip shall be deducted the appropriate wages at regular wage rates for the regular driving time missed and will be paid at then current field trip rates for the field trip. The spare driver will be paid at spare driver rates.
- c) Field trips shall be identified as follows:
  - i) Local Field Trip: trips which are done between the regular morning and afternoon runs, or other similar short trips, regardless of destination.
  - ii) All Day Field Trip: trips of eight (8) or more hours in duration.
  - iii) Overnight Field Trip: trips of more than one (1) day (or part days) in duration.

In such cases, the employee shall reimburse the Division the amount of benefit received from the Division.

17.08 If illness extends for four (4) or more consecutive working days, the employee must provide a physician's certificate to the Secretary-Treasurer or designate on or before the fifth (5<sup>th</sup>) working day of absence.
