

LEADERSHIP, ADVOCACY AND SERVICE FOR MANITOBA'S PUBLIC SCHOOL BOARDS

Dear Valued Partner,

As organizations continue to adapt to evolving economic and social landscapes, the Manitoba School Boards Association hopes that your team is successfully navigating this dynamic environment. At the Association, we remain committed to fostering collaboration and innovation in public education.

Looking ahead, we are excited to announce that the Association's 2026 Annual Convention will be held on Thursday and Friday, March 19 & 20, 2026. This year's theme, "**Governance for sustainable success**", reflects our shared commitment to building strong, resilient school communities. The convention will provide an exceptional opportunity for trustees, administrators, and education partners to connect, learn, and shape the future of Manitoba's public schools.

As the saying goes, "it takes a village..."; therefore, we are inviting you to partner with us as a sponsor for this important event. By supporting the 62nd Annual Convention, you will help ensure that delegates can access high-quality programming while showcasing your organization's dedication to public education. Sponsorship options are outlined in the attached package, and we would be pleased to discuss how we can tailor opportunities to meet your goals.

Corporate sponsorship options are included with this letter. Please complete and return the sponsorship commitment form or if you would like to discuss alternative sponsorship options, please contact us at sponsor@mbschoolboards.ca.

We look forward to your response so we can begin the process of acknowledging you as one of our valued sponsors.

Sincerely,

A handwritten signature in blue ink that reads "Nathaniel J. Watt".

Josh Watt
Executive Director

GOVERNANCE for Sustainable Success
