2:01 The Division has the right to operate the School and to direct the staff covered by this Agreement as it may deem necessary for the most effective use of its facilities insofar as it is consistent with this agreement. Such operation and direction includes the right to hire, suspend, or discharge for just cause; to assign to jobs; to classify; to promote; to transfer or reorganize staff, both permanent and temporary; and to determine the necessary service, subject to the terms of this agreement. The question of whether any of these rights is limited by this agreement shall be decided through grievance and arbitration procedure.

In administering this agreement, the Employer shall act reasonably, fairly, in good faith, and in a manner consistent with the agreement as a whole.

2:02 The Division or anyone authorized to act on its behalf approves and recognizes the Turtle Mountain School Division employees classified and covered by this agreement, and hereby consents and agrees to negotiate with the Union, or any authorized committee thereof in any and all matters affecting the relationship between the two parties to this Agreement, looking towards a peaceful and amicable settlement of any difference that may arise between them.

- 4:01 The Division shall deduct from the earnings of each employee an amount equal to the regular monthly membership dues, as established by the Union.
- 4:02 Deductions shall be made from each month and shall be forwarded to the Secretary-Treasurer of this Union not later than the 15th day of the next month, along with a list of employees from whom deductions have been made.
- 4:03 The Union agrees to and does hereby indemnify and save the Board harmless for all claims, demands, actions and the proceedings of any kind and from all costs which may arise or be taken against the Board by reason of the Division making the deduction of union dues as provided in Article 401.
- 4:04 The **Division** shall include the amount of Union dues paid by each employee during the relevant year on the Income Tax T4 slips.

ARTICLE 5 – LABOUR MANAGEMENT COMMITTEE

- 5:01 The parties hereto agree to a joint committee being set up to deal with such matters of mutual concern as may arise from time to time in the operation of the School Division.
- 5:02 The Committee shall be composed of equal representation from the School Division and Local Union with total representation not to exceed six (6) members. The Local Union Committee may at any time have representation from the Canadian Union of Public Employees. The Division may at any time have representation from its Association or other advisors.

- 5:04 The Committee shall not have jurisdiction over wages, or any matter of collective bargaining, including the administration of this collective agreement. The Committee shall not supersede the activities of any committee of the Union or of the School Division and does not have the power to bind either the Union or its members or the School Division to any discussions or conclusions reached in their discussions. The Committee may make recommendations to the Union and the School Division with respect to its discussions and conclusions.

In the event either party wishes to call a bargaining meeting, the meeting shall be held at a time and place by mutual agreement. However, such meeting must be held not later than thirty (30) calendar days after the next regular board meeting after the request has been given unless otherwise **mutually** agreed to by both parties.

6:05 **Time Off for Meeting**

Five (5) representatives of the Union Bargaining Committee, who are in the employ of the Division, shall have the right to attend negotiating meetings with the Division held within working hours and shall be without loss of remuneration.

ARTICLE 8 – GRIEVANCE PROCEDURE

- 8:01 The Division acknowledges the right of the Union **President or local officers to represent members.**
- 8:02 Should a dispute arise between the Division and employee(s) regarding the interpretation, meaning, operation, or application of this Agreement, including any question as to whether a matter is arbitrable or should an allegation be made that this Agreement has been violated, or should any dispute arise, an earnest effort shall be made to set out the dispute in the following manner:

Step 1 – All grievances shall be submitted to the Chairperson of the Union grievance committee within ten (10) working days of the alleged incident. In the event of a grievance originating while an employee is on an approved leave of absence from work, such grievance shall be lodged within ten (10) working days of the employee's return to work.

Step 2 – If the grievance committee of the Union considers the grievance to be justified, the employee concerned together with their steward or member of the grievance committee shall within fifteen (15) working days of the alleged incident submit the grievance to the employee's supervisor.

Step 3 – Failing satisfactory settlement within ten (10) working days after the dispute was submitted under Step 2, the employee(s) concerned, together with the Grievance Committee, will submit to the Superintendent of the Division, a written statement of the particulars of the complaint and redress sought. The Secretary-Treasurer of the Division shall declare the Employer's position and render a decision within ten (10) working days after receipt of such notice.

Step 4 – Failing agreement being reached in Step 3, application may be made to the Division in writing through the Superintendent of the Division, stating the grievance concerned, and a hearing shall be granted within fifteen (15) working days after the next regular meeting of the Division following the application.

- 8:03 Where a dispute involving a question of general application or interpretation occurs, or in cases of discharge or suspension, the Division and the Union may agree to bypass Steps 1 and 2 of this Article.
- 8:04 Replies to grievances shall be in writing at all stages.
- 8:05 The Division will supply the necessary accommodation for the grievance meetings.
- 8:06 The time limits as set out in the various steps may be extended by mutual agreement **in writing**.

The two (2) so named shall within ten (10) working days select a third person to act as Chairperson of the Board of Arbitration, but should they not do so within ten (10) working days, either party may apply to the Labour Board to appoint a person to act as Chairperson.

9:05 Decision of the Board

The decision of the Board of Arbitration shall be final, binding and enforceable on both parties, but in no event shall the Board of Arbitration have the power to alter, modify or amend this Agreement in any respect. Should the parties disagree as to the meaning of the decision, either party may apply to the Chairperson of the Board of Arbitration to reconvene the Board in order to clarify the decision, which it shall do within **twenty (20) calendar days**.

9:06 Expenses of the Board

Each party shall pay:

1. the fees and expenses of the arbitrator it appoints;

ARTICLE 10 – DISCHARGE, SUSPENSION, DISCIPLINE

10:01 Employees shall be given disciplinary warnings **in writing**, unless circumstances justify immediate discipline or discharge.

10:02 The employee shall have the right to be accompanied by a Union representative.

Other determining factors shall be skill, ability and qualifications.

11:02 Probation for Newly Hired Employees

A newly hired employee shall be on probation for a period of six (6) months from the date of hiring. During the probationary period, the employee, except in the case of discharge or suspension, shall be entitled to all rights and benefits of this Agreement.

The Division may extend the probation period another three (3) months if the Division deems it necessary. In such cases, the Division will notify the Union in writing.

11:03 A seniority list shall be sent to the President of the Local by January 30th of each year.

- b) The employee resigns in writing;**
- c) The employee fails to return to work following an authorized leave of absence;**

ARTICLE 12 – PROMOTION AND STAFF CHANGES

12:01 When a vacancy occurs or a new position is created inside the bargaining unit, the Division shall post notice of the position in the Division Offices and shops for a minimum of five (5) working days so that all members will know about the vacancy or new position.

12:02 The Employer may advertise outside for any vacancy provided all internal applicants are given first consideration provided they qualify under Article 12:03.

12:03 When choosing an applicant for a vacant position the Division shall base its decision on the applicants' qualifications and their ability to satisfactorily perform the duties of the position. If qualifications and ability are equal, seniority shall prevail.

12:04 Any employee covered by this Agreement who has given good and faithful service to the Division and who through advancing years or temporary disablement is unable to perform their regular duties shall be given the preference of any light work available at the salary payable at the time for the position to which they are assigned.

unsatisfactory performance in this new classification during the trial period, **they** shall be returned by the Division to a position similar to that previously held without loss of seniority or wages. Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to the employee's former position or the equivalent with the same wage or salary rate and without loss of seniority.

ARTICLE 13 – LAY-OFFS AND RECALLS

13:01 Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a lay-off, employees shall be laid off in the reverse order of their bargaining-unit-wide seniority within a classification, providing that those employees retained have the necessary qualifications and ability to perform the duties of the remaining positions.

13:02 **Lay-off Procedure for Custodians**

In the event of a lay-off, custodians shall be laid off in the reverse order of seniority within their specific classification (i.e., pay grade), providing that those employees retained have the necessary qualifications and ability to perform the duties of the remaining positions. If the laid-off custodian chooses to, **they** may move into the next lower custodian classification level and into a position filled by an employee with the least amount of seniority in that classification level (reverse order of seniority) provided that employee has less seniority than the original custodian displaced.

If the original laid off custodian cannot displace into a position in the next lower classification, they may follow the same procedure for any lower Custodian classifications that may be still available.

If the original laid-off custodian is unable to displace another custodian in another classification, they will be placed on the recall list. If the employee chooses not to displace another employee, then Article 13.04 will apply.

13:03 An employee on the recall list shall remain on the list for a period of six (6) months. After the six (6) month period, the employee will lose their seniority and their employment relationship with the Division will be terminated.

13:04 In the event of subsequent recalling of employees, employees shall be called back to work as required beginning with the most senior employee provided that, in the opinion of the Division, the most senior employee has the qualifications and ability to satisfactorily perform the duties of the position.

Existing classification shall not be eliminated without prior agreement with the Union.

20:03 In the event that the School Division establishes or proposes to establish a new classification, or if there is a substantial change in the job content of an existing classification and provided that the new or revised classification falls within the bargaining unit, the Employer shall within thirty (30) days supply the Union with a new or revised job description covering the new or reclassified position and the Union and Employer will at a mutually agreed upon time commence negotiations for a new or revised rate of pay if applicable. The Division shall have the right to temporarily establish a rate of pay until the regular rate of pay for the classification has been agreed upon. If the Parties are unable to agree on the rate of pay, such disagreement shall be submitted to arbitration as provided for under this Agreement. If the new classification is established or position amended within eighteen (18) months prior to the expiry of the Collective Agreement, and the Employer and the Union cannot reach an agreement on the rate of**

For clarification purposes the following will be adhered to in relation to the above:

If the buses are cancelled and the schools are open the following process will be utilized:
